

Book Donation Guidelines

We are currently accepting book donations! Books may be taken to the Young Readers Project office during our normal business hours, or you may call us to schedule a book pickup. Items will be screened by the Young Readers Project to ensure they fit within our guidelines (listed below).

If you have questions about certain items which do not easily fit into the rules listed below, please contact yrp@gmail.com or disha.aadiya@gmail.com to get in touch with someone who can give you more detailed information.

The library can accept books and media in good condition. All donations are checked over by Library volunteers. Please review the guidelines below before donating. Anything that doesn't meet the above guidelines will be returned to the person donating the items.
