

## **Self Reflection Checklist**

Before volunteering, please read & reflect on the following:

### **1. Why do you want to volunteer to teach with the Young Readers Project?**

Do you love books or do you love teaching or both? Do you believe you can empower young children by giving them access to resources and helping them build their knowledge and thinking skills. Please think deeply about why you want to align with the Young Readers Project so you can align with The Young Readers Project goals of providing opportunities for young children.

### **2. Are you willing to volunteer your time?**

At The Young Readers Project, we are looking for volunteers who are committed to the cause. Please consider your schedule carefully so that any time committed to The Young Readers Project is adhered to . With last minute cancellations it becomes difficult to find replacement volunteers and children are left disappointed.

### **3. Do you like and are you comfortable with children?**

At The Young Readers Project, we have various roles for volunteers such as teaching, social media etc. For the role of volunteers who interact with children, it is important that you are comfortable interacting with children, have a lot of patience, kindness and discipline.
